> About Organiser

With headquarters in Singapore, PR SQUARED Worldwide Eurasia Bridge aims to help globally minded firms to identify, meet and develop sound relationships with strategic partners, clients and investors, bridging cultural gaps and finding international deal synergies. At PR SQUARED Worldwide Eurasia Bridge we strive to provide best-in-class Public and Investor Relations Services as well as Customized Business Development to small and medium private enterprises around the globe. We are mostly active in Finance & Investments, Science & New Technologies and Art & Fashion. Our Financing and Capital Introduction capabilities span across sectors like Infrastructure, Energy, Mining, Manufacturing, Real Estate, Wineries, Luxury, Lifestyle, Media, Technology just to mention a few. On the other side of spectrum, for Investments and Project Financing, we have strong relationships with (U)HNWI, Family Offices, Asset Managers, PE and VC Managers, Business Angels, Lawyers, Consultants, International Organizations and Governments. We do targeted Business Introductions, looking for International Deal Synergies, Strategy Consulting and build worldwide bridges to connect People, Businesses and Governments. Last but not least we provide Cultural Interpretation services to businesses willing to do business in a foreign language environment.
